

Thank you...

WOW!!! What a wonderful church family at SUMC. Thank you so much for your caring words, offers of help, the cards, flowers, memorials, food for the dinner, those who helped with it, and just everything offered to my family during our loss of Tom. And thank you staff for the "K" carving. He would be so proud!

Kids Hope Mentors and Prayer Partners – Thank you for your dedication in helping a child this school year. We helped nurture, teach, care for and play with nine children at Perry and Selma Elementary Schools. The rewards were fantastic.

Susan Koebcke

I really do not know where to begin. I have been so blessed at SUMC. I want to thank those in our congregation who have helped, supported, provided kind words, materials, monetary donations and anything else to the Nursery and Children's Church...the list is endless, but I thank you for making my job as your Children's Ministry Director so easy to fulfill these past 3 ½ years. And you did it for the wonderful children at SUMC. Thank you. **Susan Koebcke**

Summer is my favorite time of year!

I think it's due to the wonderful memories from my childhood: muggy summer nights chasing fireflies, carefree days without school, swimming at the local pool, running through sprinklers, outdoor movies, riding bikes and rollerskating through the neighborhood. And who can forget Vacation Bible School, going to the park, summer camp, or just hanging out with friends.

Summer is a great opportunity to make memories. Make time this summer to build memories that will last—for those you love or for someone in need.

At SUMC we have lots of opportunities to become involved in ministries that will bring hope. For example you can make a difference in the lives of many children by being involved with VBS or the Back to School Bash. If you are a mom, you can build some special memories with your own children by joining the Summer Moms group and visiting local parks. There are also opportunities for men, women, married couples, youth, and young adults. Look at this list and pick something so **you** can be a part of one of SUMCs awesome ministries this summer!
